

About us

Each Rotaract club is a group of young people interested in helping the local community.

We meet regularly – twice a month – and have events and activities that the members want to do.

The club is run by members for the members. We have the opportunity to develop our personal and organisational skills by taking club office.

Everyone participates in the committee structure, so we do what we want to do (within reason) and when we want to do it.

Each club is sponsored by a Rotary club and is part of the Rotary family of service clubs which includes Rotary, Inner Wheel, Interact and other Rotaract clubs around the world.

Other members of the Rotary family will always be available to offer advice, encouragement and support on Rotaract work or leisure related matters.
